Product Description

Plastic Tulip Flowers bring everlasting spring beauty to your space. With vibrant colors and lifelike details, each flower radiates the charm of real tulips. Crafted from high-quality plastic, they offer durability and a maintenance-free solution for adding a touch of nature to your home or events.

Fresh flowers are easy to adjust, difficult to preserve and difficult to take care of, but artificial flowers are not easy to wither, easy to preserve and do not need to be taken care of.

1. High degree of simulation, clear and well-proportioned textures

The flowers are very lifelike and delicate when viewed up close, as if they are as beautiful as real flowers.

2. Soft to the touch and rich in flower patterns

The flowers are soft to the touch and every detail is lifelike.

3. Plastic tulip flower can be cleaned

Don't worry about getting dirty, you can clean your whole body directly in water if it gets dirty

4. Multi-scenario application

They are highly decorative and highlight the exquisite life.
