Product Description

AUTHENTIC LOOK AND FEEL: Artificial rose bouquets look and feel close to the look and feel of real roses. Fine craftsmanship and premium material quality, use high-quality silk, polyester or other realistic materials for petals and leaves, as well as carefully shaped stamens and stems.

VARIOUS COLOR OPTIONS: A variety of color options are provided to meet the preferences of different customers and the needs of occasions. For example, red represents love, pink represents romance and tenderness, white represents purity, etc.

LONG LASTING: Long-lasting and durable, compared to fresh flowers, they won't wither or fade, allowing them to continue to look beautiful and fresh.

NO SPECIAL CARE REQUIRED: Artificial rose bouquets require no special care, do not require regular watering or pruning, and do not emit pollen or cause pollen allergies. This makes bouquets more convenient and easier to maintain, especially for customers who don't have the time or experience to care for fresh flowers.
