## Product Description

### Features&Usage

Fake azalea flowers are an ideal choice for flower bed gardening decoration, specially designed for shopping malls, scenic spots and engineering purposes. Its unique weather resistance and durability keep it looking great in a variety of climates.

The carefully crafted flowers and lifelike leaves of artificial azalea plants give them a realistic appearance that is indistinguishable from real azaleas.

This silk azalea flowers not only performs well in outdoor landscapes, but also plays a unique decorative role in shopping mall scenes and gardening projects. Its exceptional realism makes it ideal for creating natural, inviting environments.

### Product material

The flowers and leaves are made of silk cloth, with iron wire inside the branches; the outer material is environmentally friendly plastic
